

Dear MVCDC Families,

Two-generation (2Gen) approaches build family well-being by intentionally and simultaneously working with children and the adults in their lives together. This approach also considers the needs of both children and parents, together, in the design and delivery of services and programs to support improved economic, educational, health, safety, and other outcomes.

Please attend your child's MVCDC center parent meetings that will be held in the months of February, March, and/or April as we continue to provide 2 Gen approaches.

We are also offering medical and dental clinics at various Head Start locations to support children's health needs. Talk to your center Family Support Specialist for more information.

Greater Dayton Premier Management will be accepting applications for the Housing Choice Voucher (Section 8) Program Waiting List beginning Monday, February 12, 2024, at 8 a.m. through Friday, February 16, 2024, at 11:59 p.m. Click [HERE](#) for more information about this great opportunity.
