

Dear MVDC Families,

Severe Weather Awareness Week is held annually each March. Ohio Governor Mike DeWine has designated March 17-23, 2024, as Severe Weather Awareness Week and is encouraging all Ohioans to prepare themselves for spring and summer weather hazards, including thunder, lightning, tornadoes, and floods.

Click on this [LINK](#) to learn more about weather safety.

We are getting ready to kick off our **RECRUITMENT campaign** to enroll Children for the 2024-25 program year and highlight **CAREER opportunities** at MVDC.

Be on the lookout for these billboards as you drive around the community!

Check out these activities designed to **help children connect with their brains and bodies** to relax, refocus, or work through big feelings.
