

Dear MVCDC Families,

Join the Office of [Early Learning and School Readiness](#) in celebrating the **Week of the Young Child April 1-7**. This is an annual celebration sponsored by the National Association for the Education of Young Children (NAEYC). The purpose of the Week of the Young Child is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services that meet those needs. Click [HERE](#) for more information including some fun-filled ideas to encourage movement and healthy lifestyles through music, food, and art!
