

Dear MVCDC Families,

MVCDC had the opportunity to receive a RIF grant this program year. Through this grant, MVCDC was able to send home a book with your child 3 times this year. This was a great experience for your child and MVCDC. There were many creative ideas for the RIF distribution at the centers that you participated in. THANK YOU for participating and keeping the excitement alive for reading and literacy!

The RIF organization would like feedback from you about the RIF program. Please use this [LINK](#) to complete a short survey.
