TAKE ACTION NOW

In case you have not heard, the latest State budget proposed by the Senate is not favorable for Ohio's youngest children. The Senate made significant cuts to important workforce and education programs like child care and preschool, early childhood mental health, and infant mortality reduction. We need everyone to speak up and send emails. **Even if you already sent an email, please do this again as we need a new round of emails. We need huge numbers of emails and calls about restoring the funding for child care and early childhood programs.** We only have 15 days left before the Governor will sign a new version of the budget. Your voice DOES make a difference. The quantity of emails matters a lot, so please send this [LINK](#) to your Ohio friends and ask them to fill this out!

Preschool Promise of Montgomery County is having Play on Purpose Play and Learn for infants and toddlers every Friday, now through August 18, from 9:30 to 10:15 am at the Northwest Branch of the Dayton Metro Library, 4210 Philadelphia Drive.
