

Dear MVCDC Families,

Miami Valley Career Technology Center's Aspire program is offering a GREAT opportunity to earn a manufacturing associate certification. This is a **FREE** 6-week course that will be held at the Montgomery County Job Center on Tuesdays, Wednesdays, and Thursdays from 9 am to 2 pm. In addition to online technical training modules, there will be instructors present to support and supplement instruction. A large component of the program is to provide career readiness to students as well. **Classes start Tuesday, August 22**, so students can potentially gain employment by mid-September. Eligible candidates are NOT required to have a GED/HS diploma. Click [HERE](#) for more information.

The Dayton Metro Library branches are a fabulous resource for all of us! Currently, they are offering educational sessions for adults on journaling, computer safety, home ownership, and budgeting. Click [HERE](#) to search their calendar for activities near you.

Click [HERE](#) for a fun Cow activity sheet, including a Cow Coloring page, from the National CACFP Association. Teach your child some interesting facts about cows and do fun activities like making Cow-Conut Curry!
